

About the Institution

Shri Madhwa Vadiraja Institute of Technology and Management, Bantakal, situated in Udupi district, has been at the forefront of providing quality higher education in the coastal Karnataka region. The institute, with roots dating back 700 years to the esteemed Shri Sode Vadiraj Mutt, takes pride in its commitment to excellence by offering a conducive learning environment and consistently updating the facilities to align with the latest trends and developments. SMVITM is affiliated to Visvesvaraya Technological University, Belagavi; approved by AICTE, New Delhi; and recognized by the Government of Karnataka. The institution is a pioneer in technical education, with NAAC accreditation and programmes with NBA accreditation. SMVITM offers a Bachelor programme in Computer Science & Engineering, Electronics & Communication Engineering, Artificial Intelligence and Data Science, Artificial Intelligence in Machine Learning, Mechanical Engineering, and MBA in Marketing, Finance and Human Resources. The institute is a certified member of professional societies like ISTE and IEEE. Despite its rural location, SMVITM has made remarkable strides in its journey towards excellence with distinguished learning-centric facilities and an emphasis on staying abreast of the latest industrial trends and academic practices.

Call for Papers

The theme of CISC-2024 is current trends and developments in soft computation, artificial intelligent systems and smart communication. We invite authors to contribute to the conference by submitting their original articles that showcase research findings, projects, survey works, and industrial experiences illustrating significant advancements in various areas.

Theme

“Trends and Developments in Soft Computation, Intelligent Systems and Smart Communication: Pathways to the Future”

SMVITM

International Conference on Computational Intelligence and Smart Communication

CISC - 2024

**December
20 & 21, 2024**

About the Conference

CISC-2024 is the first series of an annual International Conference on Computational Intelligence and Smart Communication organized by Shri Madhwa Vadiraja Institute of Technology and Management (SMVITM), Bantakal, Udupi, Karnataka, India. CISC-2024 shall bring together researchers, academicians, engineers, and the industrial fraternity to share their experiences and exchange ideas on the latest developments in the fields of soft computation, artificial intelligent systems, and smart communication. The digital revolution has had a deep impact on the way people live, work, and communicate. The purpose of CISC-2024 is to discuss the role of computational intelligence in growth as well as the shaping of society. The international conference CISC-2024 offers a unique opportunity to gain insight into state-of-the-art technology in multi-disciplinary areas and promote scientific growth.
